

CAMP VERITAS POLICIES

Cancellation Policy: Cancellation requests must be made in writing to Camp Veritas by contacting Maggie Bradley – admin2@campveritas.com. If you cancel at least 30 days before camp begins (2 weeks before a retreat), you are eligible for a refund. Food must be purchased after that point, and therefore, no refunds are issued for cancellations received fewer than 30 days prior to the start of camp. “No shows” on the day of registration will be billed.

Attendance Policy: In order to ensure the safety of students and in the interest of adhering to Safe Environment Guidelines, students are not permitted to leave and return once camp begins. Camp is structured to provide the most enriching experience for the students, and we strongly suggest participants commit to the entire week. However, if for serious reason, you need to drop your child off late or pick them up early, please notify us in advance at admin2@campveritas.com. If a child becomes homesick or ill while on retreat, students are advised to notify staff and parents/ guardians will be contacted.

Visitor Policy: In order to ensure the safety of students, once camp begins only staff who have satisfied Safe Environment requirements are permitted on site. Clergy, religious, parish staff, or other pastoral leaders interested in observing what happens at camp may contact Maggie Bradley at admin2@campveritas.com to make arrangements for a visit, which typically takes place on Thursday evening (Wednesday evening for the Florida camp). All visitors must always obtain a visitor’s pass and be escorted by a member of Camp Veritas staff.

Policy Regarding Forbidden Items: Cigarettes, e-cigarettes, alcohol, illegal/recreational drugs, weapons of any kind (including pocketknives), and occult items i.e. Tarot Cards are not allowed. In addition, cellphones and electronics are not permitted. Please refer to Camp Veritas Rules for further explanation of our “No Electronics Policy.” Note that if found, forbidden items will be confiscated and, except electronics, disposed of. Camp Veritas is not responsible for the security of lost or damaged items.
